

Fact Sheet 2Q19

- Marel is a leading global provider of advanced processing systems, software and services to the poultry, meat and fish industries.
- With over 6,000 employees in over 30 countries, Marel delivered close to EUR 1.2 billion in revenues in 2018 and has created excellent value for its shareholders since listing on NASDAQ Iceland in 1992. In June 2019, Marel began trading on Euronext Amsterdam, marking the dual-listing of Marel on both Euronext and Nasdaq Iceland.
- Revenues are well balanced geographically, consisting of a healthy mix of greenfield projects, standard equipment and service and maintenance revenues.
- Innovation is and has always been at the heart of Marel. Marel invests around 6% of revenues in research and development annually, more than any of its competitors which translated into EUR 74 million in 2018.
- Marel's sales and service network is one of its key assets where a global sales organization of over 650 staff and over 1,350 staff in our global service organization ensure high performing and reliable equipment and ensure uptime.
