

Marel Academy

Welcome to Marel Academy

Online training for a smooth operation

Online training to boost efficiency and minimize downtime

The Marel Academy online training hub lets you unlock a world of e-learning and knowledge resources. It gives you direct access to training that will help you and your team become experts in your Marel solution.

- **Use your equipment to its full potential** – learn everything there is to know about your Marel solution so you can apply every aspect of its functionality to your full advantage.
- **Run daily production optimally** – get a deeper understanding of production workflow and exactly how your Marel equipment can maximize its efficiency.
- **Achieve peak hygiene standards** – use comprehensive cleaning guides for your Marel machine to meet and exceed hygiene requirements.
- **Keep your machine in tip-top shape** – discover best practices for maintaining your Marel equipment so you can ensure its long-term performance and minimize downtime.

What exactly is Marel Academy?

It's an exclusive online training resource tailored to the needs of Marel customers. It's super simple to search and quickly find the right learning materials to help you run, clean and maintain your Marel solutions.

- **In-depth video tutorials:** watch and learn with ease and at your own pace.
- **Comprehensive manuals:** dive into detailed guides for a deeper understanding.
- **Knowledge-boosting assessments:** test your know-how and track progress as you learn.
- **Certification of completion:** document your proficiency in the relevant skills and required standards.

Why use Marel Academy?

- **Save time onboarding** – train new recruits faster and more effectively so they hit the ground running.
- **Supercharge learning** – use e-learning to complement hands-on training. Start building knowledge online before attending courses in person.
- **Track progress** – use regular online assessments to keep skills sharp and earn any essential certifications along the way.
- **Boost production** – operate, clean, and maintain your Marel equipment like a pro for optimal results.
- **Keep operational costs down** – well-trained staff maximize uptime and ensure peak efficiency, keeping operational expenses in check.
- **One-stop resource** – everything in one place. A goldmine of information at your fingertips.
- **On-demand learning** – enjoy 24/7 access so you can tailor learning to your schedule and pace.

Who is it for?

- **Management:** Easily oversee your team's abilities and training needs.
- **Operators:** Effortlessly hone your machine operation skills.
- **Cleaning staff:** Learn the ins and outs of machine hygiene.
- **Maintenance Managers:** Guarantee your machines perform and remain in peak condition.
- **Supervisors:** Quickly get new recruits up to speed and keep staff knowledge up to date.
